A. Clipping found inside Card with '1915' in ink beside clipping

B. Hand written message on card

*(no year)*

Dear Mary,

Some time ago, I told you I'd send you this clipping of the W.I., then I had put it away so carefully I couldn't find it, so now, I'll try and mail it before I mislay it again. I may be old fashioned but always had a habit of keeping write-ups of any sort so here is one if it is any use to you. I was in Glasgow W. I. at that time, so guess that's why I had it. Hope you are keeping stronger and able to to eat turkey with trimmings at X and New Year.

Sincerely, Lucy Watt
