

BIG FISH—SMALL FRY.

It looks like a case of who caught who, but eight-year-old Charlie Logan, of Renfrew, broke the season's record when he landed the season's largest catch—a 51-inch, 35-pound 3-ounce muskie—in the Ottawa river. He used a dead minnow at the end of an old two-foot-long fishing rod with 20 feet of line. Charlie is the son of Mr. and Mrs. Tom Logan.
