

REPORT FROM THE TARTAN COMMITTEE
PHYLLIS METCALF

The Tartan Committee have had a very successful year. We are looking for a different place to purchase our glassware. Canadian Art China have been more costly than customers want to pay; so far we haven't been successful.

Presto-Crest in Kincardine are supplying us with caps, T-shirts sweat shirts. The new crests are selling well. Our heavy weight Tartan is sold out. At this time we are unsure whether we will be ordering more or not.

This is my last year in the Tartan, I have enjoyed it very much.

I wish to thank my alternate, Mary Ziegler - she was always willing to help at the craft sales. I wish her the best when she takes over in September.

This is 30 years for the Tartan, so we will be having a cake at the Rally.

BRUCE EAST TWEEDSMUIR HISTORY REPORT

Thanks to Branch Curators for nine reports from the eleven Branches. The Branches had many different programs, some trips to Historical places, and museums. All Branches celebrated the 100th Anniversary in different ways. The District with a special Variety Night with a large turn out and exceptional good program and food. Other Branch topics were Old Cook Books displayed and shared, Old Health remedies discussed. History of one Hamlet given and studies. The rose bush was planted by some branches. History Books are stored in Libraries, Museums and the Curator's Homes. Last fall a Curator Workshop was held in Wiaraton - two Branch Curators and the District Curator attended - a very good day.

This will be my last report and after attending the workshop, I would recommend that a committee be formed to examine the book and restore it using a proper book and paper so as to retain the information for now and into the future.

Thanks to all,

Sadie Pilgrim
