

Travellin' Times

June 11/08

A capital idea!

The Brant/WPS band travelled to Ottawa to participate in the National Music Festival, where they earned a silver standing. While they were there they visited the Museum of Civilization in Hull, Quebec, The Canadian Mint, and the Aviation Museum. But they didn't forget about home despite their busy schedule, and caught up on Brockton's current events in the Walkerton Herald-Times.
