Cargill 1988

**First family
 supper a success**

On Friday, Dec. 2, the Eden Grove-Cargill WI had its first family Christmas supper. This festive occasion was held at the home of Sharon and Dick Fitzsimmons at Narva.

There were 42 who turned out to enjoy the delicious meal. After the meal members either played cards or tried their skill at drawing, playing Pictionary. The members put on a skit, The Twelve Days of Christmas. It may not go to the Grand Ole Opry, but it did draw a few laughs.

All in all, everyone had a good time and the group is considering a second family Christmas supper. From all members of the group, a Merry Christmas and Happy 1989.
