## Geranium Tea

Liz Walmsley, above, shared the pouring duties with June Eby, Wednesday, at the annual Elaine Matheson Geranium Tea and Sale, held in the Southampton Masonic Hall. As in the past, the popular fund-raising event drew a large crowd. It would seem the sale's reputation is growing since an abnormally high number of geraniums were sold this year.

Marilyn Phillips plays the piano accordion and sings at the Variety Concert.

## Concert and dance

The First Annual Variety Concert and Dance sponsored by the Agricultural Societies of District 10 was held on Friday, June 11th, in the Arran Tara Community Centre. Thirteen Societies took part in the program. Mrs. Marilyn Phillips, of the Tara Society, played the piano accordion and sang. Most of the concert was instrumental - violin, piano, guitar - as well as tap dancing. The program came to a conclusion with a skit presented by the Desboro society. Leonard Patterson, president of the District 10 was the chairman for the evening. A dance followed with music by the "Stardusters".
