

Howard and Bruce Krug of Chesley purchased this beautiful 3-piece solid walnut bedroom suite at an auction near Owen Sound Thursday evening and have decided to add it to the Krug collection of furniture they donated to the Bruce County Museum in Southampton this summer. The suite, Howard says, is one of the first ones made by Krug Bros. around 1890 and he added it would have been made at the river plant. Both Howard and Bruce said they felt more people could enjoy its beauty, if the bedroom suite, which has all its original hardware, was donated to the museum.

Gillies Hill 4-H meeting report

Sept 1988

by Kathie McCutcheon

Meeting two of the Gillies Hill Much Ado About Meat club was held on Monday, Sept. 26 at 7:00 p.m. in the home of Judy Posthumus. The meeting was called to order by our president, Lori Legge, we said the 4-H pledge and the minutes from the last meeting were read by our secretary, Crystal Thomson. The roll call was to give our families' favorite recipe for a meat dish and how it is cooked. We voted on our club's fun name, which will be 'The Gillies Hill Meat Maids'.

The meeting was turned over to our youth leader, Colleen Posthumus, who taught us how to determine

cost per serving of various cuts of meats. The meeting was then turned back to our leader, who discussed with us the other book work which was 'safe meat handling and storage, tenderness of meat cuts and methods of meat cookery'. We then got first hand practice in meat cooking, as we divided into two groups and each prepared a dish of Oriental Vegetable-Beef Stir Fry. Both groups dishes were excellent but we still argued over whose was better. The home activity for this week is to prepare a meat dish for our family. Next meeting will be on Monday, October 3 at 7:00 p.m. and at the home of Judy Posthumus.

History Hunters get \$7,760 grant

A group of retired people from Chesley will receive a New Horizons grant for \$7,760, Health and Welfare Minister Jake Epp announced today.

History Hunters will search for old pictures and post cards to be included in a pictorial history book of Bruce County.

New Horizons is a federal government program that enables retired people to create projects of their own choosing. It offers grants to groups who undertake activities for the benefit of themselves and others in the community. The accent is on local needs as seen by older people and on their willingness to meet such needs.
