Olive Louise Sommerville

Olive Louise Somerville passed away on October 19 at her residence in McNab Township in her 84th year. She was predeceased by her husband James Arnold Somerville, and by a sister, Irene Phillips of Arnprior and a brother Reid Carswell of Glasgow Station.

Mrs. Somerville was born at Glasgow on June 16, 1911, the daughter of Andrew Carswell and Christina Murphy. She lived all her life in McNab Township where she was a very active member of the community. Because of her keen interest in history, she spent countless hours as a volunteer at the McNab Museum in Wawa, and, for many years, maintained detailed historical records in the Tweedsmuir

History Book of the Glasgow Women's Institute.

Her Scottish and Irish ancestry were sources of great pride, and she carried out considerable research on her family tree, as well as assisting others who were seeking information about their family histories.

Mrs. Somerville is survived by sisters-in-law Ellen Bahm and Muriel Somerville of Arnprior, and by several nieces and nephews who will all miss her very much. She will also be fondly remembered by many of the young people who often spent evenings with "Aunt Olive" learning how to play Chinese Checkers, or Scrabble or a variety of card games, and by her many

friends and neighbours who received gifts from her beautiful gardens.
