

THE PUGHS

In 1992 we took over the cottage on Big Bald Lake, Saunders Road, from Mr. & Mrs. Pugh Sr. who had purchased it in 1987. Many friendships, already developed on our many visits to the cottage, continued to grow and flourish. Memorable moments- happy times, sad times but mostly good times have continued. Hot summer nights, hot tubs, saunas, good food, fine wine and excellent martinis!! The BBLGMC&BC!!! Boat trips, snowmobile trips, sometimes freezing, sometimes frying. Watching the children grow. The arrival of Grandchildren. Celebrations of holidays, birthdays, black tie dinners (with and without cutlery!) Impromptu get togethers, pot luck, pig roasts, the wonderful tradition of Christmas Eve at Cathy and Jerrys' and everyone home for the holidays. Through sickness and health, through good times and bad always there for each other.

The Cottage to us is, a place of beauty, a place of peace , a place of relationships and friendships. May we all spend many more happy, healthy, prosperous days together in the year 2000 and beyond.....!
