

Mr. and Mrs. Wm. P. Paterson,
 pioneer settlers on lot. 4, Con. 4 Kinloss.
 This picture was taken on the occasion
 of their golden wedding anniversary.

Mr. Paterson was deeply interested
 in church affairs and anything for
 the betterment of the community.

At right is their younger son,
 Hon. Jas. W. Paterson, - one of the
 builders of the Canadian West, who
 represented his riding in the B.C.
 Legislature, and later served two terms
 as Vice-Governor of B.C. A sketch of
 the family appears on the following
 pages.
