

Richard (Dick) and Emily McQuillin bought this farm, Lot 14, Con 6, Kinloss in 1943. They have a family of ten. Gordon married Donna Hicks. They live in Sarnia and a family of two children. Harvey lives in St. Catherines and is married to Isobell Scott. Harold married Kathy Haskell and they have adopted a boy. They live in Benmiller. Jack married Winnie Ceech and they live in St. Catherines. Marybelle is married to Robert McNay and they have two children. They operate a General store in Amberley. Ronnie has not married and lives with his parents. Allan grew to manhood but was not very rugged as he had a heart condition and died in 1965. Donalda married Doug McLeod. They have one child and live in Toronto. Barbara is married to Don Nicol and they live in Toronto. Lynda is attending Bloorview School in Toronto.

They have made many improvements to the farm. The Ackert drain goes through the north end of the farm draining some 35 or 40 acres which Dick has cleared making it now suitable for cropping. The front field was very rough and gravelly. They have bulldozed out a pond and this has springs in it. They hope to make a trout pond which will add much beauty to the place.

Emily and Dick celebrated their 44th. anniversary in January, 1971.
