

WI honours life members

The women of Kinloss-Kairshea Women's Institute were honoured with their life membership pins and certificates at their Christmas party on Dec. 19.

Anne MacDougall, Marion MacKinnon and Margaret Mowbray have been dedicated members for 57 years since the formation of this organization in January 1947 and are the only chapter members now. The first president was Mrs. Archie MacIntyre and secretary was Mrs. Fraser MacKinnon with 18 members joining.
