# LOCHWINNOCH FARM FORUM HELD TENTH ANNIVERSARY

The Lochwinnoch Farm Forum concuded a very successful season and also celebrated their tenth anniversary of Forum broadcasts and discussions with a delicious turkey dinner at Renfrew Glen on Monday evening March 26th.

Mr. N. E. Lindsay, as chairman opened the evening's program with a short address followed by a sing song led by Mrs. Leonard Lindsay and Mrs. Garfield Miller with Mrs. Robert J. McGregor at the piano. In proposing a toast to the Forum on this their tenth anniversary, Mr. Lindsay congratulated them on having missed only two broadcasts since they organized ten years ago. He stated that the first Forum group met at the home of Mr. and Mrs. Lindsay Storie and they along with most of the others attending that broadcast were present at this anniversary and have been continuous supporters of the Farm Forum. In responding to the toast Archie McLaren expressed the appreciation of those present for the interest Mr. and Mrs. Lindsay have taken in our meetings and that the individual members have gained much from the weekly gatherings.

During the evening a presentation was made to Mr. and Mrs. Cameron McLaren who were recently married. The address was read by Walter Ford and the presentation of an end table was made by Mrs. Ford. Although taken by surprise Jean and Cameron expressed their appreciation in a few well chosen words.

Mr. Wm. Connery of Renfrew was present with several reels of film which proved to be very in-

teresting. At the conclusion of the films a social hour was spent with music provided by Florence McGregor, Emerson Storie, Everett Gillian and Steve McGregor, members of the Forum.

Leonard Lindsay, the Forum president extended a hearty vote of thanks to all who had contributed to the night's success and with the singing of the National Anthem the program was brought to a close with each member feeling that this had been a very successful Forum series.
