

was given to Wingham Home Bound
for Seniors. Forty dollars to the Lucknow
Agriculture Society. Fifty dollars to
the Pallister care. Two quilts were
made & given to the Salvation Army.
The Horticulture Society had a project
to build a foot bridge over Dickel's
Creek. There was land donated at the
West approach to the bridge by Mary
MacHiloung & Dorothy Brown. They
are both W.I. members. We also gave
two hundred dollars towards this project.
At our Christmas meeting we all gave
mittens, toys, or non-perishable goods to
the Salvation Army. In this current
year we aim to double our giving to
pennies for friendships.
