

given to Wingham Home Board for  
seniors. Forty dollars to Agriculture  
Society. Fifty dollars to Palliative  
care. Two quilts were made & given  
to the Salvation Army. The Horticulture  
Society had a project to build a foot  
bridge over Dickie's Creek. There was land  
donated at the West approach to the bridge  
by Mary MacMillan & Dorothy Brown.  
They are both WI members. We also gave  
two hundred dollars towards this project.  
At our Christmas meeting we all gave  
mittens, toys, or non-perishable goods  
to the Salvation Army. In this current  
year we aim to double our giving to  
pennies for friendship.
