

Curator Report Lucknow WI 1996-97

On Feb. 19, 1997 we celebrated the 100th anniversary of the founding of the WI. at Stoney Creek Ont. We had old pictures on display. Our President Alice Taylor lit the 100th year candle & we followed the programme that was sent to us of that first meeting. Followed by cake, ice cream & tea.

At the Lucknow Agriculture Fair in Sept. The Lucknow along with St Helen's & Kairns WI's had a display of group pictures & other memorabilia to celebrate the 100th anniversary.

We paid the Lucknow Horticulture for the blue & yellow flowers that they planted in the large bed at the Post Office. The sign read (100 WI)
