GREER PRIVATE HOSPITAL SOLD

Mr. and Mrs. George Newbold of Toronto have purchased the Greer Private Hospital in Lucknow from Mr. and Mrs. Harold Greer. They obtain possession on December 1st.

Mrs. Newbold is a registered nurse. She is the former Mary Fisher of Lucknow, daughter of Mr. and Mrs. Robert Fisher who are presently residing in Hamilton.

INSTAL VAULT - RENOVATE BANK

Installation of a new vault and other renovations to the Bank of Montreal's Lucknow branch will be completed this week-end, Milton Rayner, the manager, has announced. The large new vault area, measuring some 132 square feet, has also allowed the extension of the counter and the installation of an additional teller's wicket, making a total of three.

Equipped with a three-ton door, the new steel and reinforced-concrete vault has been installed to improve and enlarge the safekeeping facilities of the branch, Mr. Rayner said. A private coupon booth, for safety-depositbox customers, will be located close to the new vault.

Contractor in charge of the project was A.J. Brown, of Walkerton.

A few weeks ago a new "around-the-clock" depository was installed at the bank on the east side of the building at the driveway entrance.
