Local Leaders Course 1970-71 " The Main Dish Makes the Meal"

The following poem was composed by Mrs. Wm. Arnold and read by Mrs. Cecil Sutton at Summary Day held in Walkerton February 22 1971. Leaders- Mrs. Howard Thompson, Mrs. Wayne Nixon

The Main Dish Makes the Meal  
The word went out far and wide  
With this news the Branches had to deal  
Who to Walkerton should go, now don't hide.

Our Janet and Marj. are our good sports.  
Early in November they take a drive,  
Came home full of ideas of all sorts  
On how to make our budgets thrive.

Janet opens her home to the Purple Grove gang,  
B abies, brides, members, friends, all sixteen.  
The praises of their instructors they sang,  
And a happier group I've seldom see.

The first day we had fish and corned beef  
We smacked our lips and counted the cost.  
Tried them on our husbands, some to our grief,  
We'll have to do it again or we're lost.

The next week was stormy and the class less,  
Now chicken, liver and cheese dishes we enjoy.

The samples are small, we must confess  
We liked them so well, our spoons we employ.

We think Marj. is a demonstrator grand  
And Janet knows about the Canada Food Guide.  
We shared our recipes and all our band  
Know the help we got will travel wide.

IN March we have a dinner meeting.  
We start at ten and have the talk  
Of 4-H , topics and all our greetings  
Then at noon to the table we will walk.

This year we can hardly wait  
To tast our casseroles, all fine food.  
We'll eat and eat and put on weight  
And exchange recipes all so good.

And now we are here at Summary Day.  
We thank our leaders and Miss Reasbeck.  
When we hear of another Course,  
You may be sure our calendars we'll check.
