

46 are the present owners of the Store
and farm.

After disposing of the Store and farm
Mr. and Mrs. McMillan lived in retirement
in the house now owned and occupied
by Mrs. Duncan McHearn and Mrs. & Mr. James
McHearn and family.

Mrs & Mrs. McMillan lived to a good old
age and their passing was sincerely
mourned by all who knew them.

Just to complete the record it should
be stated that Mr. Kennell the original
owner of lot-24, Con. 13, probably
bought the lot from the Indian Lands
Office which had charge when the
lands on the Bruce peninsula were
thrown open for settlement.
