Purple Valley news

(by Audrey Hepburn)

PURPLE VALLEY - Nine tables of card players enjoyed progressive euchre at Purple Valley Hall on Friday evening. Prize winners were Harv Weir for moves, Cathy Cook for euchres and Audrey Hepburn, lone hands. Lawrence Ward won the consolation prize.

-Mr. Mickey Finn and family, Toronto, are enjoying the winter break at their home down the sideroad.

-It was agreed at the meeting on Wednesday evening, March 15 that if the weatherman would co-operate we would like to arrange for a warm sunny day for our annual maple syrup festival Saturday, March 25. If the March winds blow and the weather is chilly, just put on your warm clothes and come along anyway, we will be there, flipping pancakes and overseeing all the events planned for an enjoyable day for you.
