4-H CLUB MEET

The seventh meeting was held at Audrey Hepburn's at 7:30 p.m. April 2nd.

We opened the meeting with the 4-H pledge. The minutes of the last meeting was read by Cathy Cook and signed by Cathy Cook. There was no "Roll Call". We talked about each girl's accessory report, accessory evaluation, crossword puzzle on accessories and the accessories match game. The accessories match game was fun. Lois Keays volunteered to be commentator for our exhibit on hats.

We closed the meeting with the 4-H motto, "Learn To Do By Doing."

Achievement Day for this latest 4-H project "Accessories - the Final Touch" will be held on Thursday evening, May 17, 1979 at Warton District High School. Mothers and grandmothers and neighbours do plan to come and see the girls model the accessories they made.

-The broomball dance to bring to an end the broomball season was enjoyed by many Purple Valley residents on Saturday evening at the Arena. All Purple Valley's avid broomball players may hang up their brooms until next fall.

-Georgian Bay and Warton Community Choirs presented a lovely concert 'Voices of Spring' on Sunday evening at St. John's United Church, Warton. The Hepburns enjoyed it thoroughly.

-Work bees and clean up bees and just getting ready for the maple syrup festival were the major discussions at the committee meeting held on Tuesday, April 3, 1979. Alice Colton is doing a great job on the advertising so we are all hoping you see or hear all about our big day and plan to come. We are

hoping for a good crowd and a nice day. If it's a bit cold, just put on your warm sweater and mitts and come anyway. We are all set to cook????? pancakes and then some. The good cooks in our neighbourhood are busy baking pies and cakes and other goodies for the bake table. You won't have time to be baking for your Easter guests so come and make your life in the kitchen easier. I won't cover all the other events such as the auction and sheet shoot, etc. etc. as it's all in the advertisement and we want you to come. My favourite part of the day is the dance. We promise you a stompin' good time to the music of the Georgian Bay Ramblers. That's April 14th SATURDAY at Purple Valley for the annual Maple Syrup Festival.
