Purple Valley news

(by Audrey Hepburn)

-Jim and Doreen Howe visited on Monday evening with Cliff and Sharon Gilbert.

-Wednesday afternoon visitors with Edythe Crawford was Mrs. Amy Crawford, Colpoys Bay. Grenville stops in regularly to visit with his mother.

-Therin Howe, Hespeler, visited at George Howe's this past week.

-Paul and Sue Scanlon had Paul's brother Barry, Toronto, staying with them for a few days this week.

-A bus trip to Toronto on Thursday was enjoyed by Rachel Hepburn. This was the history class under the guidance of Mr. Schmidt and Mr. Rix. The students visited Queen's Park and saw the house in session and were greeted by Eddie Sargent. Seasons of Time was enjoyed at the Planetarium. Rachel stayed for the weekend and visited with her sister Barbara.

-All expenses are not in as yet for the Maple Syrup Festival so we did not have a complete treasurer's report at our meeting on Monday, April 30. However, we stand to make a good profit. Ideas were discussed for another year. Instead of having a festival committee and a community centre committee, henceforth all business will be looked after by one board. This was agreed to by the twenty persons present. Blaine Gilbert was elected as the new chairman for the recreation committee. Kitchen Boss Betty Gilbert expressed her thanks to all those who helped with pancakes, coffee and baking pies. She also asked that a fire

extinguisher be purchased for 1980. The next meeting will be June 4, 1979. Come out and give us your ideas. Be a supporter of your Purple Valley Community.
