Trailer damaged

A trailer fire on Conc. 2 SDR Friday caused extensive damage to a Walkerton family's home.

Fire Chief Ken Freiburger said no one was injured when the mobile home caught fire around 10:30 p.m. When firefighters arrived on the scene, two adults and a four-week old baby had managed to get outside safely, but the fire had broken through the west wall of the trailer.

"They were able to contain it to the west wall and bathroom, but this was extensive," said Freiburger. "The trailer was insured but I'm not sure how much was on (the) contents."

The family has relocated to another residence.

Walkerton firefighters on three trucks responded to the blaze, and were assisted by the Mildmay-Carrick department.

They cleared the scene around 4 a.m.
