Home of Susan Giesel, who purchased it from the Gladys Benninger Estate in 2001. The barn was removed within the next two years.

The Women's Institute Flowerbed was created by the South Line W.I. in May of 1999 to celebrate the 100th Anniversary of F.W.I.O. The blue spruce behind the flowerbed was planted for the 50th Anniversary of the South Line W.I. in 1984 on the lawn of Gladys Benninger. Susan Giesel has happily consented to have the flowerbed maintained on her property by the South Line W.I.
