

V2-54

(Continuation of Lot 54, Con. 3, SDR)

When Terry and Sharon Priebe purchased the farm in May of 1990, they built a new house a small way back from the place where Jakie's house stood. The Priebe also planted the south part of the farm in trees

Yvonne and Joe Batte lived in the new house for two years. Their children are Tyler and Jason. In 2004 they moved to the Bob Lammie Farm Lot 44 & 45 Con. 2, SDR. The Battes sold the house on lot 54 to Carl and Donna Fletcher. The Fletchers have two children, Mitchell and Corey.

This is an old picture taken on this property by someone looking toward the old barn foundation. The barn was blown down in the storm known as Hurricane Hazel in 1952. You could not see the barn unless you stood behind Jakie's house.
