

## MEYER'S HISTORY

Jim and Helen bought part lots 39 and 40 from Gordon Ashley 1959. Previous owners were Gordon Ashley and Jim Preston. The house was built around 1910. We bought 1 acre 24 years ago, but when they fixed the old bridge the township took about 1/4 of an acre. Gordon Ashley does not farm or rent the 49 1/2 acres out. He just lets the weeds grow wild, whatever happens to come up. The Meyer's have two sons Wayne and Allan.
