

WALKERTON FIRE DEPARTMENT

WALKERTON, ONTARIO NOG 2VO
CANADA

April 26/52

Brant Township Council

Dear Sirs,

I have been asked by a number of concerned property owners on the East side of the South Line bridge to write you regarding fire protection in that area.

As you are aware, of course, to get to a fire - east of the bridge, the fire dept has to drive around by Highway Four to get to the location. This delay could cost the taxpayer his or her building, depending on the nature of the fire.

This letter is a request for a new bridge to be built as soon as convenient. We realize that you
