

We then went to Agri Park where the delicious tomatoes, cucumbers are grown and much information was gleaned. Then we stopped at Blain's Ceramics, then for he not to miss a Pub in Canada we stopped at Dunkeld Hotel.

A beautiful day, most interesting and informative arriving home about 3.30 p.m. Joan Handt then picked Mary up and took her to see the Formosa Church and Palace Gardens then home with her for supper.

Wednesday 8³⁰

Joan Handt and I took Mary to meet the bus at Smith's Parking lot Walkerton. Dew D. J. had given her several mementos of her trip to Canada.

A truly great experience of having had her in our community:
