

In September 1956 a basement was dug under the school and the contract for installing an oil furnace was left to Syd. Middleton of Paisley for \$625.00.

In the spring of 1957 a new addition was built to the front of the school and in this addition new flush toilets were installed. At this time the old woodshed was removed.

In 1958 a new ceiling was put in the school and in 1959 Bob Bell of Port Elgin was hired to put in a new floor. In 1962 a new roof was put on the school, so it can be seen that the school has been kept in a good state of repair.

School Improvement Contest

In the fall of 1943 S.S. No. 4 was awarded fourth prize in the Bruce County School Beautification Contest. We were presented with a handsome Union Jack and an award of merit.

Competitions, Accomplishments and Projects

On May 1, 1937 our school took part in the first musical festival of the Inspectorate which was held in Kincardine.

In 1938 our school won the shield at the school fair for winning more points per pupil than any other school at the fair.

In more recent years pupils from S.S. No. 4 have participated in the Public Speaking contests.

Each year the pupils of grades 5 to 8 take a bus trip to such places as London, Toronto, Mid-

land, Niagara Falls and others.

Since the instigation of the Saugene Township School Area field day held each June S.S. No. 4 has collected three championships and three runners-up.
