Mrs. Isabelle Underwood retired at the end of December after a lengthy teaching career in Saugeen Township and Port Elgin. She is shown above with three generations of the Snyder Family, all of whom are former pupils of hers. Mrs. Keith Snyder, the former Marguerite McKillop, attended school at S.S. #6, Saugeen, "Turners' School," where Mrs. Underwood began her teaching career. Shown also are Mrs. Snyder's son, Brian, and her grandson, Steven, who is a Grade 5 student at Port Elgin - Saugeen Central School.

Members of the Adult Rehabilitation Centre workshop and their instructors celebrated the end of their recreational swim program, Monday evening. Julia Anderson (front row center), the head instructor for the group, says they have accomplished a lot during the year. The swimmers average from Novice to Level 3 in swimming ability. Helping Mrs. Anderson teach the group were Joan Longley and Stewart Clark, with additional help from Carrie Jeffery and Elli Kennedy.
