90th Birthday--George Osborne

A birthday celebration was held for Mr. George Osborne, Friday August 25 in the United Church House, Port Elgin. Church ladies were catering the event to which relatives and friends attended. Pictured from right to left are Myrtle Osborne, Irene Harper, and guest of honor George Osborne.

A lifetime resident of this area, Mr. Osborne was born in Greenock Township, farmed on the 2nd Concession of Saugeen and retired to live in Port Elgin.

Retiring was a gradual process as, until six years ago, he owned and pastured cattle on the 'farm on the 2nd' which he came to as a boy in 1902.

An interest in his community has led to involvement with school, church and service clubs at various periods during his life.

Always active socially, George keenly enjoys a game of cards with family and friends.
