

# Heritage Day!

Photos by Sarah Sloan

Fun was had by all at the Bruce County Museum and Cultural Centre in Southampton as they celebrated Heritage/Family Day. Hundreds were in attendance to take part in the activities which ranged from snowshoeing to rope making. Admission to the event was free with a food item which will benefit the local food bank. Pictured right, Lainie Yeaman, 5, and her little sister Emma, 2, played in the sand box. Bottom left, Kate Gilbert, 3, hammered holes into her tin lantern, an activity put on by the Saugeen Conservation Authority. Bottom right, Patsy McArthur of the Historic Saugeen Métis gives Dawson Thornton 3, a flag while his mom Maxine looks on.
