

Annual, held in St. Andrew's Church Glanworth. A high-light of the year was the radio broadcast over C.H.L.O.

Good citizenship has been stressed in special programs, and Mr. H.O. White, M.P., has given much helpful instruction and information on latest developments in National Policy and Progress. The members are keenly aware of the duties entailed in being first, good Canadians, and looking farther afield, in being good citizens of the world. All this begins in the home, and this Institute is ever mindful of its motto "For Home and Country."

(Compiled from the minute books of and the Tweedsmuir Book, of St. Andrew's Women't Institute, by Mrs. M. McDowell, and Mrs. G. Bradish.)
