**THE WOMEN'S
INSTITUTE**

Open to women and girls upon payment of annual membership, the Women's Institute is an educational, non-partisan, non-sectarian and non-racial organization which offers you an opportunity to become involved and help formulate policy to meet the needs of today.

Programs are planned under a convenership structure. Members are encouraged through information and experience to be responsible citizens and are taught the "know-how" of nutrition, crafts and day-to-day current topics.
