

Notes Of Meeting On Thursday, May 31, At McNab Township Offices To Discuss The Roll Of The W.I. In The Event Of An Emergency Occuring In The Area

The meeting was chaired by Wayne Smeltzer and attended by Mack and representatives of W.I. Groups throughout McNab. The only known absentee was Whitelake.

There were two main areas of interest;

1. Accommodation & Bedding
2. Feeding

Accommodation

A list of possible reception areas was tabled. This list gives approximate areas and numbers that can be accommodated. What is now required is a list of available beds and bedding, location, and to arrange for delivery to a central point within our district for pickup by the Township, transport, in the event of an emergency.

Feeding

Iris Trueman undertook to supply sample menus to be presented to a meeting to be held July 18 th. at the McNab Township Offices at 7 p.m. From these menus, quantities and varieties of food required to feed evacuees will be calculated. In the event of an emergency this food will be supplied by local retailers under Township arrangements.

We are required to help in assessing the availability of cooking facilities and utensils in the listed reception areas. These areas were divided among W.I. Groups for action, and we are required to assess the Lions Club Hall in Arnprior.

Representatives

To activate emergency measures we are required to submit to the Township at the meeting to be held July 18 th.

1 main and 1 alternative name.

These two people will be required to attend the July 18 th. meeting. From these submitted names one representative will be selected by the Township and will be called by them in the event of an emergency.
