

### NEW SENIOR CITIZENS HOUSING PROJECT

The senior citizens of Arnprior will be happy to know that the construction of the new 24 unit Senior Citizens Home is well underway.

The home being constructed on the shore of the Mad-

awaska just off Albert St. is being built at the cost of nearly \$250,000.

Julia Construction Company Limited of Richmond, Ontario is erecting the edifice which was designed

by K. Onotsky of Ottawa.

More than 18 men are working on the frame work of the building and the rough shell is expected to be completed by Friday, June 26, barring any unforeseen

troubles.

The Home will be completed, hopefully by the fall and will provide much needed accomodation for the older people of the community.
