

In the foreground is the souvenir booklet, "Fifty Years of Achievement" compiled by Pauline Ryan. This 15 page write up contains the history of the branch and the names of members throughout the years.

One Life Membership was presented to Yolande Gadouas. Ten of the younger members, including our President were presented with their F.W.I.O. pins. A blue and gold ribbon to wear our pins was presented to all members as a souvenir of our 50 years of achievement.
