

(Information to be read by Branch President)

1. It's a hundred years since  
Adelaide Hoodless was convinced.  
That milk should be pasteurized.  
Then Janet and Erland Lee  
Found it easy to see  
That women should organize.
2. For Mrs. Hoodless knew  
That informed women grew,  
So they did mobilize.  
Hundred and one women came  
And things were ne're the same,  
For they formed the W.I.'s.
3. So this idea spread,  
Round the world it shed  
Its light. Things modernized.  
So women's homes improved,  
And countries laws were moved  
Their knowledge exercised.
4. To encourage, help and share,  
Build a better world with care  
Is the work of the W.I.'s.  
Now a hundred years young,  
Still there's work to be done.  
Women's lives to be vitalized.
5. Now it's time to celebrate;  
Achievements commemorate  
With honour and with pride.  
This Centennial salute  
Of the Women's Institute.  
Women of the world, Arise!
