

acupressure, shiatsu, homeopathy, and biofeedback . Lila introduced Suzanne Strader and Sharon Leclair who presented some of their products.

A 60th anniversary cake was enjoyed at lunch .

OCTOBER 22, 1998

At the October meeting, eleven members enjoyed Eileen Garde's video on Feng Shui, which is the Chinese art of design and placement to balance the flow of energy in our homes. An invitation from Greenlane Branch to attend their November meeting was extended with several members planning to go.

NOVEMBER 20, 1998

A potluck supper, which included husbands and friends, was the feature of our November meeting. Guest speaker Gary Bradley, our representative on Nation council, brought us up to date on the progress and pitfalls encountered in developing the new Nation Township. Following his presentation, he fielded numerous questions from the audience. Cards and a social time concluded the evening.

DECEMBER 17, 1998

Eileen Garde was hostess to fifteen members for our Christmas meeting. Lila Howard instructed members on the making of a Christmas Angel, a decoration for a Christmas tree. Patterns for knitted bears for Alzheimer patients were given to interested members. President Leah Bradley was auctioneer for our annual auction which brought \$128. Eileen and Janna served lunch during a social hour.

JANUARY, 1999

January was holiday month.

FEBRUARY 18, 1999

Valerie Reid welcomed twelve members to the February meeting. Ruth Proudfoot reported on a training course she attended to learn how to make hats for cancer patients. As February was Heart month, Valerie had charts to demonstrate the function of a heart and the warning signs of heart attack and stroke. She stressed the importance of a well balanced diet and seeing the doctor early if any warning
