Church Organist 53 Years Honored By Altar Society

MISS E. ELDRIDGE

HEPWORTH—Last week Miss Elizabeth Eldridge was honored for her 53 years of service as organist of St. Mary's Church, Hepworth.

A group of men and women from Sauble Beach who have attended this church for many years joined the Altar Society of Hepworth on Wednesday at Miss Eldridge's home, "Grove Farm," to present her with an engraved gold wrist watch.

Miss Eldridge was also presented with an alarm clock by Mrs. Joe Seger.

In years gone by Miss Eldridge took care of the altar clothes, vestments, flowers, cleaning the church, and other things that needed doing.

Everyone present signed an autograph book. Father T. D. Batty of Owen Sound was present, and composed a poem for the occasion. Mrs. Wm. Dawson of Hepworth also wrote a poem.

Mrs. William Eldridge of Southampton poured tea for the 40 guests. The table was decorated with a lace cloth. There was a large cake with blue and white decorations, and 53 candles in honor of the occasion.

In the Country

The fine summer days have passed away,
When every one seemed to be happy and gay;
The tourists have all gone back to their work,
Their useful duties they do not shirk.

One day we drove out to Sauble Beach,
I did not even hear a sea-gull screech;
Every thing was quiet and peaceful there
A feeling of Peace was every where.

The faded pine needles had covered the ground,
Making it look like a carpet of brown;
While lovely green trees here and there,
Made a picture of beauty so rare.
