Have a Branch cheque for presentation when the Tickets are picked up at the registration desk.

President Betty Anne Thompson started the day off right with a verse telling us we had a smile, it is free, pass it on whenever you can. Tara Wl welcomed us and the roll call was answered by 33 of our 33 branches. Congratulations on 100% representation!

Secretary-treasure Doreen MacAdam began with the reading of the 2002 district annual minutes, the financial report, the donation report and the correspondence. Doris Hays gave the financial advisors report on behalf of Ina Ireland and Mary O'Malley who were unable to attend.

Nine different committee representatives presented their reports. All reports indicated a very busy year with 441 members doing approximately 18,000 hours of volunteer work. Mem-
