Tractor trailer crashes

Bruce County Road 9 through the village of Colpoys Bay was closed to traffic Wednesday night when a tractor trailer loaded with heavy stones jackknifed on the hill near the former village store and dumped its load.

The trailer was carrying large stones from

the Angel Stone Quarry when it crashed about 9:30 p.m.

Damage to the trailer was estimated at \$70,000 and large holes were punched into the road by the rocks.

Warton OPP said the driver, James Rear of Milton was unhurt.
