The last farmgate defence: Local farmers come to bid when a farm leased from the Government of Ontario by the former president of the Canadian Farm Survival Association, Allen Wilford, is auctioned off.

Santa visits Gateway

Santa and Mrs. Claus were not only busy getting ready for the youngsters but took time out of their busy schedules to visit the residents at Gateway Haven where all received gifts and warmest wishes from Mr. and Mrs. Claus.

Many Christmas events were held at

Gateway this year, that both residents and staff enjoyed.

In the above picture Mr. Harry Farrow, a resident, is receiving warmest wishes from Santa, Mr. Harold Wright, and Mrs. Claus, Eileen Pepin from the nursing staff.
