

January 20, 1988

The Warton Volunteer Fire Department have been practicing for the annual Groundhog tug-of-war by pulling Chief Al Gilbert around in a dog sleigh. The training is quite serious and anyone who falters is apt to be whipped by Deputy Chief Reg Krueger. The firemen are ready to take on

anyone. The event, to be held Sunday, February 7th, is one of many festivities planned for the weekend. Programs are available from area merchants.
