

2nd Princess Anisha Rahemtulla and 1st Princess Heidi Zach assisted the Festival Queen making a number of presentations over the weekend. Above they present Purple Valley Captain Rob Urbshott with the championship broomball trophy.

# 1 playoff position left to decide

The fourth and final playoff position will be on the line, at 11:00 p.m., this Thursday evening, as fourth place Clavering tangles with fifth place Oxenden, over the birth into post-season play. Oxenden, who looked in good shape, over the first half of the season, have only won one game, and tied another in their last eight games. Clavering has won only two games before Christmas, have turned their season around and won 4 of their last 5. Should Oxenden come out the winner, they must win on the following week and Clavering lose their game in order to qualify. The last two games will hold importance to Pro, the Valley, and the Oilers, as they jostle for position in the standings.

The Ladies' will just go through the motions, since any combinations of wins and losses will not disturb the structure of the standings.

Please plan to attend our 2nd upcoming social evening, to be held from 9-11 Thursday, February 18th, 1988, final night of regular season play.

Feb. 4th Results:

## Oilers 4 - Oxenden 0

Ken Stott scored once and added an assist to lead Oliphant to a 4-0 victory over Oxenden. Steve Hardman, Jim Fuhr, and Murray Stott each added a goal, and Sam Brown earned a well deserved shutout. The victory moves Oliphant into 3rd spot, one point behind the co-leaders.

## Homecare 8 - Bandits 3

After the referees finished picking up the hats, Donna Fletcher went on to score her fourth goal of the evening to lead Homecare in an 8-3 win over the Bandits. Add to that the three assists and in all Donna came out with a 7 point night. Sheila Bray scored twice and Sheila McNeil and Kelly Smith notched singles. Holly Sutter picked up three assists, setting Carrie Cook up for a pair of goals and Sandy Jones a single.

## Purple Valley 1 - Pro Hdwe. 0

For only the first time this season, The Franchise was held pointless, with Purple Valley being the first team to shut down the Big Brown Machine this year. Rob Urbshott scored unassisted, midway through the second period to give Purple Valley not only the victory but a share of first place. Both goalies were superb, but Ken Clark went the distance to deserve his 7th shut out of the season.

## Brew Crew 1 - Budlets 1

The ever increasingly improving Brew Crew came to play Broomball, Thursday night, and with the playoffs just around the corner, may have picked the right time to have peaked. Donna Hepburn, who has helped the Budlets immensely since her late start, opened the scoring with a pass for Donna Thornley. Donna Nixon turned the Budlets back again and again, finally being rewarded when Christine Campbell scored on a set up from Jewel Lee Boulivant to earn the tie.

## Raiders 4 - Marshuns 1

Not to be taken lightly anymore, the Marshuns kept Clavering off the score board for 30 minutes. After giving up a goal to Ray Wilson, speedster Mac Gibson tied the score. But, one of those three minute lapses, that have hampered them all year in which the Marshuns gave up two crucial goals, and they went down to a 4-1 defeat. Bob Schultz and Bill Walker did the damage, and Mike Reid got a crutch goal to finish the scoring. Assists went to Riel Gagne, Bill Walker, Bob Schultz, and Don Richardson for the Raiders, and Al Given of the Marshuns.

## Men's Standings

Purple Valley 7 3 3 - 17  
Pro Hdwe 7 3 3 - 17  
Oliphant 8 5 0 - 16
