

Parade At Purple Valley

Purple Valley is 100 years old this year, to mark the occasion and also to mark the glorious 12th of July a parade was staged by the Purple Valley Or-

ange Lodge. Other lodges from near by also marched. Shown above is the parade as it returned from a short march up the road.

July 12<sup>th</sup> 1970

A church service was held at Purple Valley after the parade to mark the Centennial of the settlement. A large number of local people as well as more than enough former residents and friends to fill the church.

The beautiful day was taken advantage of and the church seats were set up under shade trees and the service held out in the open.
