## Lennox & Addington County Branch

NAPANEE - ONTARIO

To Our Rural Friends:-

You are no doubt aware that the annual appeal for funds is now on for the Canadian Red Cross. This Branch just finished a successful campaign for the Town of Napanee, but we still need the rest of the County's portion - which is \$1,500.00. You may recall that we did not appeal to you last year, therefore, your GENEROSITY NOW, no matter how small, will be gratefully received.

Services provided by your Branch of the Red Cross are:-

Sick-room Loan Cupboard Supplies.	Swimming & Water Safety Classes.
Cod Liver Oil for children.	Plasma for Armed Services.
Disaster Case Assistance.	Home Nursing Classes.

Please see last weeks' newspapers for more complete write-ups of the above services. All areas of the County benefited, and we welcome your enquiries.

Lennox & Addington Branch is also called upon to supply a portion of our Campaign Funds to Ontario Division Headquarters for National services, which is good insurance for any emergency or disaster which may hit this County.

Please sit down NOW and write your cheque payable to "Canadian Red Cross, Lennox & Addington Branch" and mail it direct to "Campaign Treasurer", Canadian Red Cross, Napanee. Any bank will receive your donation and give you an "official receipt" which is deductible from your Income Tax.

Yours very truly,

Chas. R. Hanna, President.

M.C. Blachford, Campaign Chairman

Wm. J. Wiggins,  
Chairman Rural Canvass.

With a grateful heart --- and with an open hand
