

On the right, the red building, was the first fire hall. It had started life as the Methodist Meeting hall and was subsequently sold to the Township and used as the Town Hall. The United Church was later bought when that Group disbanded, and the Town Hall was converted into the first Fire Hall, The adjacent building was the original Drive Shed for the Methodist Meeting Hall, and it was converted into the township shed for the Road Crew and equipment until the modern Municipal Garage was built in 1994
