

Ice Cream and not turn it back, as we were informed afterwards that any amount not used would be taken back by the dairy. We also decided next year to have the strawberries partly whole or sliced instead of mashed. And that the fish pond be larger and that we give a larger slice of Pie the next time. It was suggested that we also hold a draw and tickets be sold at the entry to the grounds.

Mrs. Crozier told us of her visit to Mr. Spritt of the Dept. of Agriculture Market street, Hamilton about an Institute building. Mr. Spritt offered to visit our branch and give us all the details.

We discussed having a picnic at the Lake during July for the members and their children but as so many expected to be away on vacation it was decided to lay this over until August.

It was also thought a Beach Festival the latter part of August should be arranged as everyone seemed to enjoy the Garden Party so.

The meeting then adjourned.
