Hamilton, Ont.

Dear Mrs. Siddons;

Regarding the disbanding of Community Beach  
Branch, the following reply has come from Mrs. Holder, Secty  
of F.W.I.O.;

"Upon disbanding, all funds and official records  
of the Branch shall become the property of the District Women's  
Institute to which the Branch Women's Institute belongs.  
When a Branch is disbanded the District Secretary shall notify  
the Provincial Board Director for that Sub-Division and the  
office of the Federated Women's Institutes of Ontario."

Mrs. Holder sends her sincere regrets that Community  
Beach has found it necessary to take this action, and she hopes  
as I do, that the members involved will find their place in  
neighbouring Women's Institutes.

Mrs. Dickenson has also been notified, and all  
Officers of the District were very sorry to hear the bad news.

Yours very truly,

*(Mrs B) Jean Durnell*
